# Chairman's Report

---

It is a proud privilege for me to present this report as Chairman of 1<sup>st</sup> National Digital Salon organised by LENS AND LIFE OF DUM DUM, KOLKATA, a newly born Photographic Club in the country which is yet to celebrate it's 1st Birthday. To our great astonishment we suddenly realised that our Club has bagged as many as 17 Best Club Awards from various National and International Photography Salons, during this short period. Our joy knew no bounds when our club was bestowed with 2<sup>nd</sup> Best Photographic Club in India & 21<sup>st</sup> in the world, in "FIAP World Cup 2019" Competition, adorning a prestigious feather on its crown.

These achievements gave birth immense confidence among us to organise this Salon.

I convey my heartfelt thanks to all the Entrants, all the Clubs of India whose participation made this event successful. It is needless to mention that main driving force behind the Salon was a concerted effort and relentless enthusiasm of many bright junior and veteran senior members of our club. I am personally indebted to them.

I convey my sincere gratitude to our parent body FIP for their guidance and co-operation. I also convey thanks to Webmaster, printers and vendors engaged in preparation of Certificates, Medals, Catalogue etc.

Lastly, I offer my homage to millions of victims of COVID-19 and their family members throughout the world who left us during last 6 to 7 months.

We hope bright Sun will shine again, Photographers will explore the world like before, focus their target again through their Lens, press fingers on shutters again and again and capture colourful moments of our Life.

Thanks.

---

We take immense pleasure to announce the completion of our 1st National Digital Salon. Amidst the uncertain and volatile environment around us due to pandemic Covid19 and one of the worst natural calamity in the state till date through Amphan Super Cyclone , we are humbled by the immense enthusiasm and cooperation shown by photographers from all corners of the country.

We are a newly formed organisation and this was our first major step in organising such large scale contest. We are proud to mention that we received 6866 images from 378 entrants. A special mention goes to Mr. M. R. PAWAR , who participated in our Salon at an age of almost around 90 years. Sir your love for photography will always remain as a burning example in all our lives.

We take a bow to all the learned jury members for their relentless efforts in our online judging sessions. The quality of the entries were extremely high and very difficult to segregate.

We express deep condolence to our learned judge Mr Rajdeep Biswas for the sudden demise of his mother, the day before the judging date. Sir we stand by and mourn with you and your family, in these hours of grief.

- Dr. Barun Kumar Sinha (MFIAP, ESFIAP, Hon. FIP , ARPS, Hon. FICS, FAPU)

- Mr. Avishek Das (EFIAP bronze, EFIP , GPA. PESGSPC, SSS/R, Hon. WPAI, GPU CROWN 2)
- Mr. Saikat Roy EFIAP,EFIP

Throughout our contest we received warm support in terms of administration from Dr. Barun Kumar Sinha , Secretary General of Federation of Indian Photography. Sir without your guidance we could not have done this.

My special thanks to all the fellow members of the salon committee, who all played a key role for the last 4 months, instead of their grey age. All of you are senior citizens. Mr Aparesh Sarkar , Mr Vivekananda Patra and Mr Anup Dutta , thank you for being there.

Finally my gratitude to our teacher and our President Mr Shyamal Kumar Roy. Sir thank you for literally spoon feeding us in each and every step of the Salon. Without your selfless , untiring efforts from behind , it would not have been possible.

Last but not the least we express our thanks to each and every member of Lens & Life of Dumdum , all of you played a vital role in our little success story.

In our commitment to serve the nation in these days of uncertainty we are grateful to all participants , for being able to pay part of their entry fees to Covid-19 fund of FIP . We are able to donate a total of Rs 15185 on behalf of salon committee. In support of the vision Mr Shantanu Banerjee , FIP Gold winner in the Color Section has also donated his award money of Rs 2000/- making the total donation being Rs 17185. Mr Banerjee , thank you for setting a positive example for all of us.

Stay safe , stay healthy and happy clicking ...

Signing off with Best Regards,
